Application

Applications are accepted by letter or E-mail. Each seminar requires a separate form. You will receive a confirmation of your application.

Cancellation

Withdrawal from a seminar is only possible when we receive writing (letter or E-mail) from you and confirmed by us. If you withdraw for whatever reason **4 weeks before** a seminar occurs we will send you a refund less a processing fee of €50. If you withdraw **within the 4 week period** the full seminar fee is payable and no money will be returned. If you **do not show up** or **leave a seminar** you have applied and signed for, the full payment is due. Difficulties with your participation can be discussed.

In the unlikely event that we cancel a seminar you will be notified 3 weeks in advance and full payment will be returned to you. If a seminar is postponed or experiences a program change because of illness, weather or any other reason whatsoever, you will be notified as soon as possible and we will find a collective solution to the situation.

Payment

Payment is made according to each seminar description. These descriptions may differ. Sometimes payment is due at the seminar site and sometimes in advance depending on the seminar and country.

Personal responsibility

Each person is responsible for their physical, emotional and psychological well-being for their participation in any of our seminars. We cannot be held responsible for accidents or spontaneous happenings outside of our control or if you don't follow our suggested safety guidelines.

Seminar prices

Sometimes we offer several prices for a seminar. We generally honor an early application (early bird) with a discounted price **8-12 weeks before the event** either specified in the price list or mentioned in the information for a seminar.

Note: You agree to these terms and conditions when you register and sign for a seminar.
